

Zalaris Managed Services

Cloud HR & Payroll Outsourcing

About Zalaris

At Zalaris our mission is to simplify HR and payroll administration and empower you with useful information so that you can invest more in people.

Zalaris are recognised by leading industry analysts as one of Europe's top HR & payroll solutions and services providers, who have demonstrated excellence in the industry by achieving exceptionally high client net promoter scores and benefitting from over two decades of uninterrupted growth.

Zalaris operates throughout Europe and the Asia Pacific, providing solutions and services to clients in over 100 countries worldwide through a unique international delivery model whilst maintaining locally based support for clients with local requirements.

Zalaris offer clients an impressive HR & payroll technology stack, known as PeopleHub, as a Software-as-a-Service (SaaS) solution. Zalaris also provides award winning HR & payroll administration services, providing Business-Process-as-a-service (BPaaS) or Business Process Outsourcing (BPO) as it is commonly referred.

Executive Summary

Optimise your workforce with Zalaris' HR & Payroll Solutions, which we call Zalaris PeopleHub.

Equipped with state-of-the-art automation, innovation and security, Zalaris PeopleHub is a complete HR platform to simplify HR administration for everyone. With this platform, we consolidate HR, payroll, time and expenses reporting, and talent management – all in one place.

It is a global HCM platform that unifies all employee data and eases all HR processes. Maintain accurate company data, make informed decisions efficiently, and empower employees with the latest self-service features, all with the security of stringent data protection.

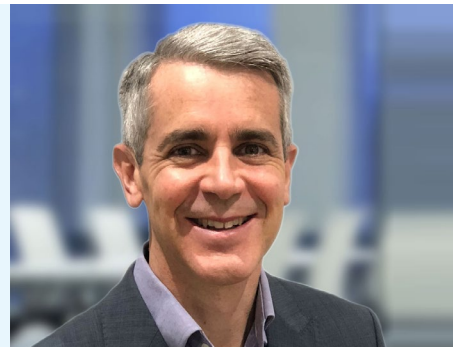

A suite of globally accessible and flexible systems with integrated technology capabilities of Zalaris' HR & Payroll Solutions ensure your company has one source of truth whether you're present in one country or across the globe.

- ✓ One complete overview of workforce data, from compensation to benefits and performance
- ✓ Gain valuable insights through the entire employee lifecycle: workloads, absences, costs, location and more
- ✓ Empower employees to manage, maintain and update their own information and documents, reducing administrative burden on HR
- ✓ Global oversight and local compliance
- ✓ Accessible anytime, anywhere – even on mobile

Our 5 Levels of Outsourcing

Software as a Service (SaaS)

- Implementation of a comprehensive cloud-based payroll and HCM (Human Capital Management) functionality.
- Streamline your HR, payroll and accounting services in the cloud.
- You maintain in-house supporting staff to handle all aspects of transactional HR and payroll.

Transactions as a Service (TaaS)

- All transactional HR & payroll processes are outsourced to Zalaris whilst maintaining your own HR and payroll software in house.
- Our responsibilities as your partner include gross-to-net payroll processing, reporting and analytics, compliance, and pension and benefit processing.

Payroll Processing (BPO Tier 1)

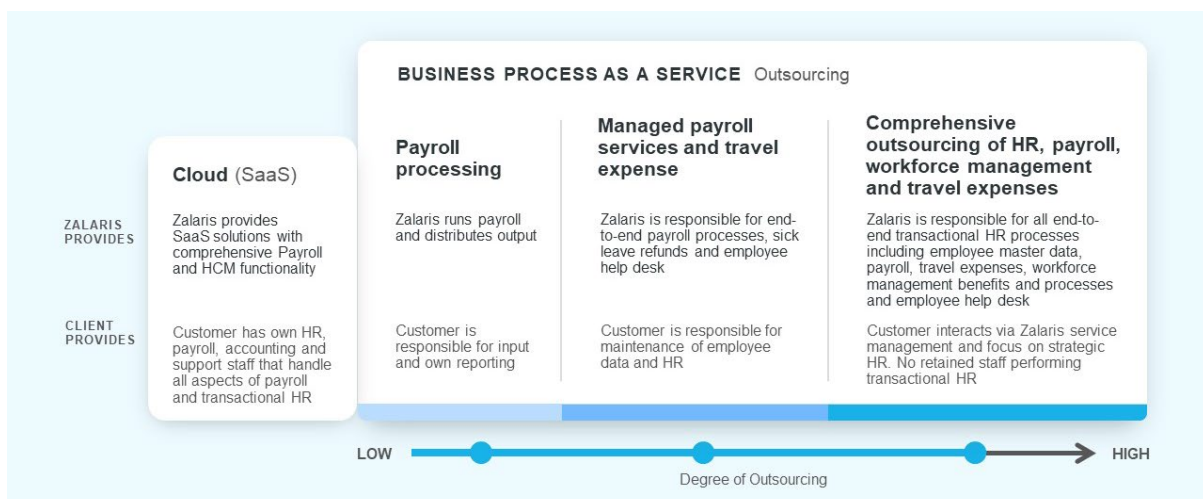

- Implementation of a new software solutions to increase efficiency and accuracy.
- Outsource the running of payroll, and the distribution of payroll output such as distribution of files, payments, and reporting to authorities.
- Your in-house HR and payroll team manages HR and payroll master data, inputting data, and internal reporting. Your employee helpdesk also remains in-house.

Managed Payroll Services and Travel Expenses (BPO Tier 2)

- Outsource all aspects of an end-to-end payroll process and travel expenses including input, processing, output, and employee helpdesk.
- Your in-house team are responsible for updating and maintaining employee master data, including new hires, terminations, and salary changes.

Comprehensive Outsourcing of HR, Payroll and Travel Expenses (BPO Tier 3)

- As your outsourcing partner we would integrate a cloud-based payroll solution and manage all end-to-end transactional HR processes including employee master data, payroll, travel and attendance, benefits processes, and employee helpdesk.
- Allows your company to invest more time and money into new HR strategies such as wellbeing initiatives.

Zalaris - A complete payroll and HR partner for mid to large size organisations
